PROFILE

Build and nurture my passion of Software development in making innovative products possible while being associated with any IT organization.

EDUCATION

2019/07 – 2023/06	**Bachelor of Technology** *Bengal College of Engineering and Technology* **8.27 CGPA**	Durgapur, WB

PROFESSIONAL EXPERIENCE

2022/07 – 2022/08	**MERN Summer Tranning** *Intern* Participated in an intensive summer training program focused on building modern web applications using MERN stack.	Durgapur, WB

PROJECTS

2022/08 – 2022/10	**A Comprehensive Matrimonial Website Powered by Node.js and MySQL:** ⬀ As part of a web development project, I designed and implemented a matrimonial website utilizing Node.js and MySQL.
2023/10 – 2023/10	**A Secure Random Password Generator Project:** ⬀ Built a secure React.js password generator allowing customized preferences for uppercase, lowercase letters, numbers, and symbols. It reliably generates unique passwords with a simple click and enables easy copying for versatile usage, ensuring top-notch security and convenience.

SKILLS

Python | C | Java | React Js | SQL | MERN Stack
